5. Pursuant to Fed. R. Crim. P. 32.2(b)(3), upon entry of this order, the United States Attorney's Office is authorized to conduct any discovery needed to identify, locate, or dispose of the property, including depositions, interrogatories, and request for production of documents, and to issue subpoenas pursuant to Fed. R. Civ. P. 45.

6. As to any specific assets, following the Court's disposition of all timely petitions, a final order of forfeiture shall be entered. If no third party files a timely petition, this order shall become the final order of forfeiture, as provided by Fed. R. Crim. P. 32.2(c)(2), and the United States shall have clear title to the property, and shall dispose of the property according to law.

The parties stipulate and agree that the aforementioned asset(s) constitute property involved in or used in the offense(s) or that the aforementioned asset(s) constitute property derived from or property used in any manner to facilitate the commission of such offense(s) and are and are therefore subject to forfeiture pursuant to 18 U.S.C. § 924, 21 U.S.C. § 853, and/or 28 U.S.C. § 2461(c). The Defendant hereby waives the requirements of Fed. R. Crim. P. 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment against Defendant. If the Defendant has previously submitted a claim in response to an administrative forfeiture proceeding regarding any of this property, Defendant hereby withdraws that claim. If Defendant has not previously submitted such a claim, Defendant hereby waives all right to do so. As to any firearms listed above and/or in the charging instrument, Defendant consents to destruction by federal, state, or local law enforcement authorities upon such legal process as they, in their sole discretion deem to legally sufficient, and waives any and all right to further notice of such process or such destruction.
